

Barcelona, 28 July 2019

To whom it may concern,

I am Prof. Dr. Alberto Sanfeliu, Scientific Director of the 'Unity of Excellence Maria Maeztu' of IRI, Institut de Robòtica i Informàtica Industrial - IRI (UPC-CSIC). Presently I am the coordinator of the research Artificial Vision and Intelligent System Group (VIS) and head of the research line Mobile Robotics of IRI.

This letter aims to certify that Mr. Albert Costa Ruiz has been working in the laboratory of Mobile Robotics from July 2018 to March 2019. He has been in charge of the development and implementation of an on-road motion planner for an autonomous car.

If further information is needed, please feel free to contact me.

Yours faithfully,

Prof. Dr. Alberto Sanfeliu
